THE OBJECTIVES OF THE OKLAHOMA COUNTY FREE FAIR and Spring Livestock Show

The Oklahoma County Free Fair continues to stress quality in the areas of agriculture and related youth and adult activities. It gives all who enter exhibits an opportunity to compare efforts with those of others in the county, the intent being that success in exhibiting will stimulate exhibitors to greater efforts, while providing an opportunity to learn from others who have higher ranked exhibits. It is the purpose of the Fair Board to make the Free Fair educational and to encourage cooperation among all persons in the various communities of the county.

The management of the Oklahoma County Free Fair is in the hands of the Oklahoma County Free Fair Board which is composed of three elected members from each Commissioner District. The active management of the fair is in the hands of an Executive Board consisting of a president, vice-president, secretary and six board members.

The Oklahoma County Free Fair is financed by taxation. No admission charge will be made and no entry fee will be charged.

The Oklahoma Cooperative Extension Service is an equal opportunity/equal access/affirmative action institution. If you require a reasonable accommodation to participate or need materials in another format, please contact your County Extension Office (or other appropriate office) as soon as possible.

SPECIAL NOTICE

Any person who interferes with or disrupts the management or judging of either the Oklahoma County Free Fair or the Oklahoma County Junior Livestock Show will be removed from the grounds and barred from the shows for a period of not less than one (1) year.

All foods except home-canned entries not picked up during designated time will be disposed of.
